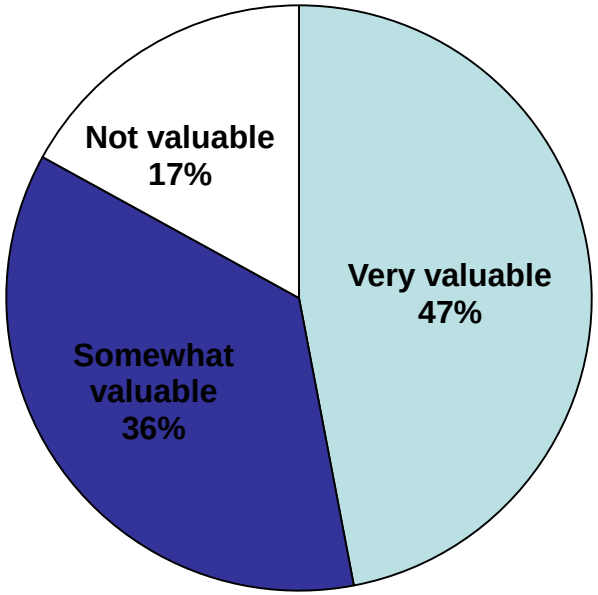
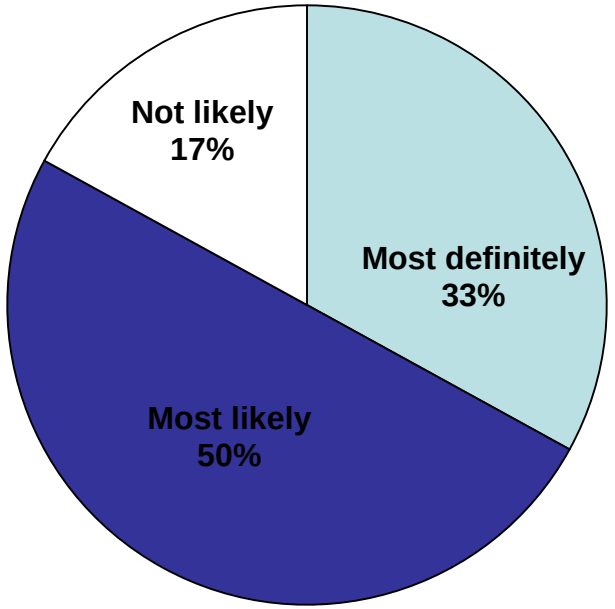
ENTS649X: Series: Special Topics in Networking
ENTS749X: Series: Advanced Topics in Networking

- We will propose four 12-credit graduate certificates for ENTS students.
- Certificates allow students to enhance technical knowledge and remain competitive in the job market.

Feedback

We surveyed **current students** to determine perceived value of a graduate certificate to their portfolio.





We surveyed **alumni** to determine if they would encourage current students to obtain a certificate.
