

Undergraduate Advising

Department of Electrical & Computer Engineering
Fall 2021 Advisory Board Meeting

ECE Peer Mentoring Program

Sponsored by Texas Instruments

- First-year students paired with junior/senior mentor
- Professional development activities for mentors and mentees
 - Resume review workshops
 - “Tech talks” by members of industry
- Social events
 - Welcome back ice cream social
 - Bowling at TerpZone
- Leadership opportunity later on as a student mentor
- Recently developed ECE Peer Mentoring leadership team

ECE Tutoring Program

- Opportunity for academically talented students to support their peers
 - Started in Fall 2020
 - Tutoring available in most 100-300 level courses
 - Held virtually or in-person
 - 4 tutors hired for Fall 2021 (tutor 2-3 courses each)
 - As of today, 63 tutoring sessions have been held in Fall 2021

More Student Opportunities

- Study abroad is back for Spring 2022!
 - Clark-in-Madrid is most popular
- Summer in-person internships continue
- Semester-long co-ops are also resuming
